

## Position Posting – Bramalea Alliance Church Pastor of Worship & Creative Arts

Bramalea Alliance Church is a family of believers that has as its core values God's Word, seeing God's love in action, outreach and evangelism, leadership development, and being a multigenerational family. Our current staff team all have a heart for the Lord and a strong calling, as well as a work ethic to go with it.

We are an established congregation in the community of Brampton, Ontario, since 1974. Over 400 people would consider Bramalea Alliance their church home, with an average attendance of approximately 300 people each Sunday morning. Our current pastoral staff consists of a Senior Pastor, Associate Pastor, Youth Pastor, and Children's Pastor. The support staff includes an Office Manager, a Church Administrator and a part-time Custodian. Bramalea Alliance Church is a well-maintained facility (built in 1984) and are in a strong position financially.

The congregation appreciates an intergenerational/blended approach to worship. Our church has an active outreach among young families in the community, including a strong, well-known mid-week Children's program and annual summer camp called VBX. We also hold large family community outreach events such as the Community Clothing Give and the Hallowe'en alternative Harvest Party event. While a significant segment of the congregation is young, with younger families attracted to our vibrant children's and youth programs, the church family also includes a large and active group of those over 50. We have programs for all ages, including a Men's Ministry, Women's Ministry, Young Adults ministry and small group ministry.

The Brampton community is a rapidly growing, profoundly multicultural city of over 590,000 in the greater Toronto area (GTA). Brampton is home to a broad variety of industries, high-tech research and development, and financial services. It is also home for many commuters who work in the GTA. As large numbers of immigrants, notably from India, Pakistan, the Caribbean, and South Asia continue to settle in Brampton, the city's multicultural flavour is becoming increasingly pronounced.

We are currently seeking God's direction in finding an individual to join our Pastoral Team with oversight for our **Worship and Creative Arts Ministries** full time. The major areas of responsibilities within the scope of this position are:

- Sunday Morning Services
- Training/Discipleship/Mentorship/Leadership
- Community Engagement/Outreach
- Fostering the Arts Environment
- Worship Team Management
- Related Logistics

If you have experience in these areas and would like to serve in a congregation that is intergenerational and becoming more demographically diverse, please forward a cover letter along with your resume and brief personal testimony to the **Worship & Creative Arts Pastor Search Team** at [office@bachurch.com](mailto:office@bachurch.com).

We are accepting applications until November 15, 2019. All candidates will receive a reply by November 29, 2019. Thank you for your interest, and may God bless you as you seek His direction for your service to Him.
